

Sikh Gurdwara San Jose
College Prep Program
English Language Proficiency

The Importance of Language Skills

- English Language (EL) Skills are the basis of your academic success in USA. No matter what subject you study, your proficiency in English will matter.
- Language skills are critical for communicating effectively. How you express needs, wants and ideas will determine the outcomes of your efforts and hard work at home, at school, in community and at work place.
- Global economy and Global Citizenship demand the command of effective strategies for the exchange of ideas and collaborative communications.

In CPP English Class

- You will master California English Language Standards
- Improve Your Reading Speed
- Improve Your Writing skills
- Improve Your English vocabulary
- Develop Verbal Skills to improve communication

Note: This Program is in person on Sundays in Guru Nanak Khalsa School, San Jose, between 9:30-12:30 PM.

You will be glad you joined CPP!
